Group Study Exchange

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for businesspeople and professionals between the ages of 25 and 40 who are in the early stages of their careers. GSE provides travel grants for teams to exchange visits in paired countries. For four to six weeks, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

In a typical four-week tour, GSEers participate in five full days of vocational visits, 15 to 20 club presentations, 10 to 15 formal visits and social events, two to three days at the district conference, three to four hours per day of cultural and site tours, and three to four hours per day of free time with host families.

Rotarians in the host area provide for meals, lodging, and group travel within their district.

“I don't say my golf game is bad, but if I grew tomatoes they'd end up sliced.

“I've spent most of my life golfing; the rest I've just wasted.

“A golfer's diet: live on greens as much as possible.
