sorships sold and sign people up to participate.

Sandy Ellington-Graves was both our program chair and presenter today. She gave a program on membership development. Handouts were dispersed that touched on new member orientation, member financial responsibilities to RI, surveys of member satisfaction, and ideas for improving our club. Each member was asked to come up with 3-5 potential new members and was to write them down for Sandy. If you were not in attendance, write your ideas for new members down and give them to Sandy as soon as you can.

Mike Long had the winning 50/50 ticket but did not pull the winning card. The pot stands at \$212.

Rotary Foundation Thought

The Foundation is the primary way in which we are involved in the fourth Avenue of Service: International Service.

The Rotary Foundation was started with a gift of \$26.50 from the Rotary Club of Kansas City in 1917—the left-over profit from the international convention that year. Earlier that same year, Rotary's sixth president, Arch C. Klumph, suggested the creation of just such a fund. The very first grant made by The Rotary Foundation was to the

International Society for Crippled Children. The idea of international service has grown. Just in the last 20 years, Rotary has contributed over US\$600 million to the polio eradication effort. Thanks to everyone in the club who has supported this program.

In the words of professional volunteer, Charlotte Lunsford: "We won't always know whose lives we touched and made better for our having cared, because actions can sometimes have unforeseen ramifications. What's important is that you do care and act."

Create Awareness. Take Action.
Make your annual gift today!

From the World of Rotary on Twitter:

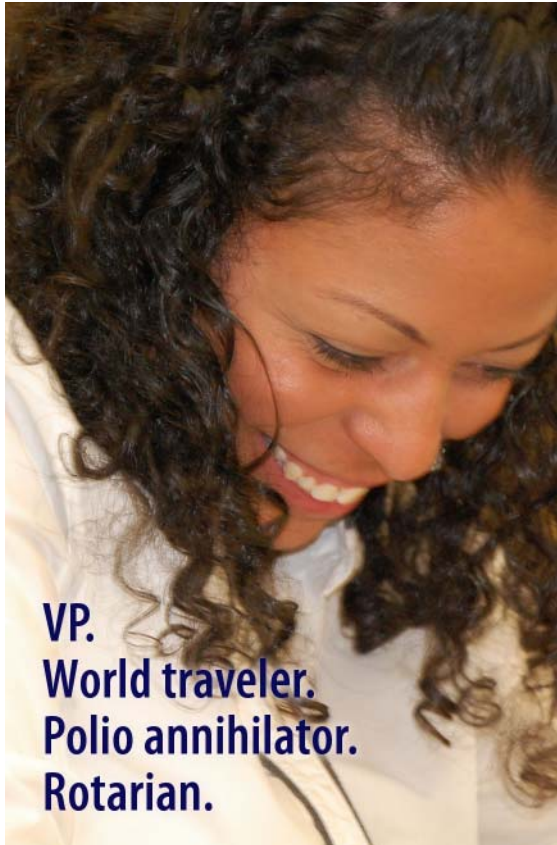

- MemphisRotary (Memphis, TN): Richard Janikowski will lay down the law tomorrow in his crime program presentation
- RotaryEilerslie (Auckland, New Zealand): We're supporting loud shirt day this Friday. Our club members will be wearing their LOUDEST shirts—a great opportunity to pull out that Hawaiian shirt!

Graham Rotary is following 136 Rotary types from around the world on Twitter and 163 are following us. www.twitter.com/grahamrotary/
