This week's Rotary Foundation Thought is about the Permanent Fund. One of the many ways to support The Rotary Foundation is by including it in your estate plans. Many other Rotarians have done so, enabling our Permanent Fund to grow and providing long-term stability for Foundation programs. Arch C. Klumph, who conceived the idea of our Foundation in 1917, said it best: "We should look at the Foundation as being not something of today or tomorrow, but think of it in terms of the years and generations to come. Rotary is a movement for the centuries."

Our investment in time, talent, and financial resources is an investment in making the world a safer and healthier place for our children and our grandchildren.

Make your annual gift to The Rotary Foundation today.

A Thank You from the Graham Rotary Club Alamance Community College Scholarship Awardee

We greatly appreciate your generosity in our time of need. You will never know the extent of your help to my son and I. May the good Lord bless you tenfold! I am a single mother with an 11-year-old son going through the medical assisting program. It is tough at times and I get discouraged. It is the people such as yourselves that give that hope to move on. Thank you very much.
