**The Board meets each month** on the second Thursday following the regular meeting.

There were no visiting Rotarians. Steve McGilvray's wife, Cindy, was his guest today. Chris Denny was Scott Sheldon's guest today.

We only sold about 20 shoulders which is just one grill. Thursday was the last day to turn in your tickets. If you have tickets to turn in and were not at the meeting, contact Greg.

The slated incoming officers for next year were voted on by the members today and there was a unanimous decision to accept.

Please keep Jeff Eldridge and his family in your thoughts and prayers. His sister recently died.

Brian Faucette from the Graham Recreation and Parks Department spoke with us about a Parks and Recreation Trust Fund grant to upgrade Bill Cooke Park ballfields where our kids play and practice sports. He asked for our support in the form of letters stating the necessity for the renovations.

We heard from Alamance Christian Academy student, Kimberly Diniz, today. Kimberly presented her Rotary Against Drugs speech which she will give in the upcoming competition. Great job, Kimberly!

Paul Burns introduced Terry Har-

ris who spoke about her bed and breakfast, The Shady Glen, located close to Mebane in Efland. It is a wilderness escape on 34 acres. She presented a slide show of the home and land and spoke about the amenities offered. If you

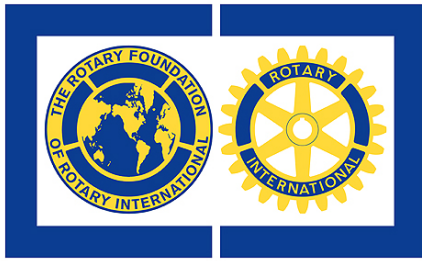

Last meeting's speaker, Terry Harris of the Shady Glen Bed and Breakfast

would like more information or would like to make plans for a getaway, call 919-563-4841 or 336-260-7759 or go to [theshadyglenbnb.com](http://theshadyglenbnb.com).

The winning 50/50 ticket was held by Jeff Eldridge, but he did not pull the Queen of Spades to win the \$381 pot.

## Haiti Update

Thousands of people left homeless by the devastating Haiti earthquake are due to start moving into a camp made with hundreds of ShelterBox tents this week.

Situated near to the US Embassy in Port au Prince, the encampment, named Congress Camp, will house thousands of refugees from the centre of the city allowing them to stay close to their communities and carry on with their daily lives.

ShelterBox's Response Team (SRT) in Port au Prince has been working around the clock to help set up the camp with hundreds of disaster relief tents, each of which can house an extended family of up to 10 people. The team has worked closely with the French aid agency ACTED and IOM (International Organization for Migration) to create the tent city which is also equipped with showers and latrines.

John Leach, ShelterBox's Head of Operations, said: "We have a huge number of tents here which will provide shelter to thousands of people and give them a chance to start rebuilding their lives. But we also have tent encampments set up in several other locations in and around Port au Prince and thousands more ShelterBoxes are on their way to the city."

Shelter Box is one of many global projects funded by your generous funding of the Rotary Foundation. Please consider make a gift today.
