Graham Rotary Club • Club No. 6107 • District 7690

A 100% Paul Harris Fellowship & Gold Club

March 4, 2010

## Minutes of the February 25, 2010 Meeting

There were no visiting Rotarians today. Steve McGilvray's wife, Cindy, was his guest today.

Alan Parnell speaking at last week's meeting while Bret Cobb handles the technology.

Don Kehler announced that he was able to redirect the funds for sustaining membership for our club into the correct location. Also, he sent the money for the Haiti Survivor Box that we purchased for Haiti Relief.

Barney Barnhardt announced that as of July 1, when we get money back to our district from donations to RI, that money may be used for grants for projects.

Phil Moseley met with Elizabeth von Eitzen from Graham HS about the Rotary Youth Leadership project. We are looking for outstanding high school juniors that exhibit leadership qualities to participate.

Phil announced that we need to

schedule our roadside clean-up for this year. We have to plan for it between mid-April to early May. A tentative date is Saturday, April 17.

Russell Guy introduced Allan Parnell, PhD, Vice President at Cedar Grove Institute of Sustainable Communities. He spoke with us about their work mapping out communities and breaking them down into ethnic populations, sewer services, water services, lighting services, etc. They then take these maps to the community leaders to show unfair districting. They hope to do away with inequitable treatment to minority groups. Their bottom line challenge and payoff for their efforts are:

1. Local inclusion of all members of the community
2. Use of planning rules and processes to strengthen communities
3. Global competition for economic investment.

Mark Ryman had the winning 50/50 ticket for a chance to win the \$444 pot, but pulled the Jack of Spades instead of the Queen.
