## The President's Space

*“Rotary Leaves Footprints  
(What do ours look like?)”*

This is a busy time for the club. That's a good thing, as long as we each do our share.

**Graham Club Wins Grant Funds.** Congratulations to Bonnie Johnson!! She has obtained Rotary matching grants for two international projects sponsored by our club. First, she got a \$500 match for Caring Hearts, the project from which she has just returned in Mexico. Second, she got a \$1,500 match for “Stop Hunger Now!,” a project that we will share in part with one of the other clubs in the area; our part is \$1,200 of that \$1,500. We have to raise our \$1,200.

**Spaghetti Dinner this Friday.** As you have seen from Bonnie's and my e-mails, Friday night, October 29, there will be a Spaghetti Dinner at the Civic Center from 5:00 PM until 8:30 PM. \$5.00 per plate should attract all of you and all the friends and neighbors that you can contact! Bonnie needs help with cooking, serving and cleaning up. She needs desserts, also. This one is always fun.

**Monster Dash this Saturday.** By the time this bulletin hits the newsstand, the Monster Dash will be in final stages of organization. The plea for volunteer assistance still stands. We need as many of you (and members of your families) as we can get, as the field is expected to be much larger than ever before. Get up early on Saturday morning, come help with the event. It will be over by 10:30.

**Nominating Committee.** A week from now, the Nominating Committee will be presenting a slate of officers and directors for the 2011-2012 year. We need your suggestions, so please contact Phil Moseley, Reed LaPlante or me, if you have a one for us. That includes volunteering to serve. We will be nominating Reed LaPlante as President-Elect for the remainder of this year and, therefore, as President for 2011-2012, a President-Elect to follow Reed as President, a Secretary, a Treasurer, one director for a three-year term and one director for a 1 1/2-year term to fill the vacancy that will be left by Reed's election to President-Elect.

**Pork Shoulder Project.** Pork Shoulder sales are going strong. Greg needs your payments for those sales. Team projections will soon be tested for validity.

**Membership.** We have had some guests and prospective new members, but no new member applications for a while. Please bring a prospective member to one of our projects and let them see what a fun time it can be. Share the Rotary experience.

See you at the meeting.

## POSITIVE ATTITUDE YOUTH CENTER

Good lunch today...

helping youth from low income and troubled families. The programs they offer are geared to educational programs that build knowledge and life skills. In 2008 they opened a new 12,000 square foot building that has allowed them to expand their program offerings to include daycare facilities and a computer lab. Local youth are referred by schools, law enforcement, and courts. The center has three buses to provide transportation from the local area schools to the center in the afternoons. The Positive Attitude Youth Center is located on North Graham Hopedale Road next to the old Alamance County hospital and current Department of Social Services.

### Pot

Dr. Inge had the winning ticket and graciously decided to let the pot continue to grow.

Pot = \$435.00.

Ah, romance is in the air...

Tough questions from the audience...

Ah, the joy of letting the pot grow...

## The 4-Way Test

Rotarians apply the 4-way test to  
the things they think, say, and do.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
